After Hours Business Mixers

Our After Hours Business Mixer is a monthly Chamber event that provides an opportunity for Chamber Members and their employees to network with a wide variety of business people in an informal atmosphere. These mixers are held at Chamber member restaurants or lounges, and take place on a Tuesday, once a month between 4:30 pm - 6:30 pm. Feel free to drop-in and enjoy this great networking opportunity. Remember to bring your business cards so you can exchange them with fellow members and enter to win door prize draws!

Breakfast Networking Meetings

Build your business contacts and meet new friends!! Our Breakfast Networking Meetings are a lively start to your business day...complete with door prizes, a business card exchange, good conversation, guest speakers and a complimentary continental breakfast. From September until the end of June, we hold Breakfast Networking Meetings every Thursday; either at the Chamber building or off-site at a Chamber Member's facility.
