International Women's Day

Interested in International Women's Day? Want to market to our community?

Want to be more involved with your local Chamber?

Are you looking for opportunities to reward your clients?

We are looking for International Women's Day event partners. This would involve you hosting an event during the (International Women's Day) week March 2-8, 2019 and financial investment of approximately \$750 for a table of 8 at the International Women's Day Gala Event and Keynote. (March 8th 2019)

The theme for 2019 International Women's Day is #balanceforbetter, how would your organization build an event or workshop incorporating this theme?
